Kitchen Grand Opening Recap

Brothers,

Thank you to everyone who was able to attend the Open House celebrating the Kitchen Grand Opening held on 11/19. This momentous occasion hosted a total of 30 alumni!

The kitchen project was first discussed a decade ago and we finally got it on the drawing board and completed! I hope you like what you saw(see). This was a team effort, including the entire House Corporation and Undergraduate officers. In addition, Wayne Campbell was called upon many times to advise through many aspects of the construction....his knowledge and expertise were invaluable!
